WELCOME TO STARS VIPERS KATY

VIPER STATE OF MIND!

Welcome to Stars Vipers Katy! 2023-2024 is the 6th season of SVK and we are honored that you have chosen to be a part of the VIPER Family! To our returning athletes, WELCOME BACK, and thank you for your loyalty and dedication to SVK! To our new athletes, WELCOME to the Viper Family! We are excited you have joined us and we can't wait to meet you!

Known for our success, Stars Vipers Katy has worked hard on creating strong teams with strong-minded athletes. SVK thrives on building confident athletes in a positive environment. Teamwork and sportsmanship are just a few life lessons SVK strives to have its athletes embody. From high fives to positive circles at the end of every practice, we are dedicated to building up every athlete.

As SVK begins the process of forming teams, know that we want to make sure our teams are competitive AND nurtured. The Stars Vipers Katy staff provides a disciplined training environment with the understanding that all individuals cannot be trained the same and must be trained to their own personal abilities. We focus on training and coaching that is adapted to the individual athlete and their abilities. Our main focus is to educate, develop, and influence athletes to strive to be the best version of themselves through lessons learned in a structured, team environment. Thank you for choosing Stars Vipers Katy! We look forward to another fun and successful season!

Why Choose Stars Vipers Katy?

- Stars Vipers Katy Novice Teams practice 2 hours a week AND the Showteams practice 1 hour a week.
- At Stars Vipers Katy, our Novice teams do not travel out of the state of Texas for competitions. Novice teams perform at events in Houston and Galveston
- We believe in helping our families financially and have implemented a strong fundraising program. We run fundraisers throughout the season to help offset the cost of competitive cheer. 100% of what you raise goes to your athlete's costs during the season.
- Our staff is experienced and is made up of a variety of backgrounds and expertise. As all staff were prior athletes. Many staff were athletes under Owen & Denise's coaching. Because of this, the love, passion and success they achieved as athletes, is what they now pass on to today's Stars Vipers cheerleaders.

Absence Policy

Athletes are expected to attend ALL practices. We encourage participation in school cheer and will do our best to schedule team practices that do not conflict with school cheer. Missing practices for other school sports, club sports, birthday parties, school work, etc. is not permitted. Time management is important and commitment to the team during scheduled practice times has to come first. Last minute absences due to illnesses will need to be directly communicated to the coach, who will determine whether or not the athlete can miss practice. Let us know about vacation plans by emailing Denise@starsviperskaty.com. Please do not plan vacations during the competitive season unless there is a gym closure. We value your time and want to make sure all practices are productive. Email absence requests to Denise@starsviperskaty.com
