# TEAM PRACTICES

## PREP TEAM PRACTICES

Prep teams are required to practice between 4-6 hours per week, with athletes expected to attend all practices. Joining the Stars Vipers prep program entails a year-long commitment, where athletes are expected to prioritize their participation and fully commit to attending all scheduled practices.

## EXTRA PRACTICES

Extra practices are sometimes necessary throughout the season. We typically schedule extra practices well in advance and attendance is mandatory. Please keep schedules flexible in the months of February, March, and April due to routine upgrades with choreographers which may require additional/extended practices.

## TEAM PRACTICE ATTENDANCE POLICY

Athletes are expected to attend ALL practices. We encourage participation in school cheer and will do our best to schedule team practices that do not conflict with school cheer. Time management is important, and commitment to the team during scheduled practice times has to come first. Last-minute absences due to illness must be communicated directly to the coaching staff, who will determine whether the absence is approved. Please notify us of any vacation plans by emailing [absences@starsviperskaty.com](mailto:absences@starsviperskaty.com) **Please do not plan vacations during the competitive season unless there is a gym closure.** We value your time and want to make sure all practices are productive.

**Email absence requests to [absences@starsviperskaty.com](mailto:absences@starsviperskaty.com)**

**Absences for other school sports, club sports, birthday parties, schoolwork, etc., are not permitted.**

## BLACKOUT PRACTICES

Athletes must be available for extra practices during the two weeks prior to any rally or competition, if needed.

# COMPETITION INFORMATION

The competition schedule will be available in August 2026. End-of-season events are included in the competition schedule.

## STAY TO PLAY

Most out-of-town competitions are STAY TO PLAY, which means STARS VIPERS will provide a room block with the required booking company. ALL athletes are REQUIRED to stay in the STARS VIPERS room block.

## TRAVELING TO OUT-OF-TOWN COMPETITIONS

TRAVEL DAYS will always be BEFORE the competition day and NEVER the same day as the competition. Some competitions may require a Friday arrival which means athletes will miss a day of school and parents will miss a day of work. NCA and any out-of-town competitions will require a 7:00pm arrival time the day before the team competes for a team practice.

- Most competition venues require spectators to pay parking and entry fees. These fees vary.
- Athletes are required to be at all awards ceremonies, dressed in full uniform.

## RALLIES AND GRAND RALLY

Rallies are in-house performances held before the competition season where friends and family can watch teams perform sections of their routines and see their progress.

Grand Rally is the final rally before competition season, where each team performs their full routine to celebrate their hard work and prepare for competition.

## COMPETITION AND RALLY ATTENDANCE POLICY

There are no absences permitted for Rallies, Competitions, or during the week of any scheduled performance. Full team attendance is required. All athletes are expected to arrive on time, fully prepared, and in proper attire, ready to perform.
