PROGRAM OVERVIEW

FULL SEASON NOVICE TEAM PRACTICES

FULL SEASON NOVICE teams are required to practice for 2 hours per week, with athletes expected to attend all practices. Joining the Stars Vipers FULL season novice program entails a year-long dedication, where athletes are expected to prioritize their participation and fully commit to attending all scheduled practices.

ATTENDANCE POLICY

Athletes are expected to attend ALL practices. We encourage participation in school cheer and will do our best to schedule team practices that do not conflict with school cheer. Time management is important and commitment to the team during scheduled practice times has to come first. Last minute absences due to illnesses will need to be directly communicated to the coach, who will determine whether or not the absence is approved. Let us know about vacation plans by emailing absences@starsviperskaty.com. Please do not plan vacations during the competitive season unless there is a gym closure. We value your time and want to make sure all practices are productive.

Email absence requests to absences@starsviperskaty.com

Missing practices for other school sports, club sports, birthday parties, school work, etc. is not permitted.

COMPETITION INFORMATION

Competition Attendance Policy

There are absolutely no competition absences or absences the week of a competition. Please make sure athletes arrive on time to the competition fully dressed and ready to perform.

The competition schedule will be available in August 2025.

Most out of town competitions are STAY TO PLAY, which means STARS VIPERS will provide a room block with the required booking company. ALL athletes are REQUIRED to stay in the STARS VIPERS room block. TRAVEL DAYS WILL ALWAYS be BEFORE the competition day and NEVER the same day of the competition. Some competitions may require a Thursday or Friday arrival which means athletes will miss school and parents will miss work. NCA will require a 7:00pm arrival time the day before the team competes for a team practice. Most competition venues require spectators to pay parking and entry fees into the competitions.
